To

SIR,

I have the honor to bring to the notice of the Surgeon General that Dr. Cook has written more than once about the work of the Cook for Europeans. Alone he is quite unable to cook the several diets as well as extras that may be ordered for 32 European and East Indian patients. Up to this time he was allowed to have his wife to assist him, but without payment. An assistant was applied for but the recommendation has hitherto not been sanctioned. As the work is more than one man can efficiently perform I beg the Surgeon General will obtain the sanction of Govt. to the appointment of an assistant.

OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

No. 712

From

THE SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

FORT ST. GEORGE,

To

THE Chief Secretary to Government
Public Department.

SIR,

I have the honor to forward for the favorable consideration of Government the accompanying letter from the acting Superintendent Leprosy Hospital Madras requesting sanction for the entertainment of an Assistant Cook for Europeans and an extra ward Cooly, on Rs 5 and 7 per mensem respectively.

2/ Before proceeding on leave. Surgeon Major Cook the permanent Superintendent, brought the necessity for this additional Establishment to my notice and I informed him that the matter would receive due consideration if formally submitted, hence the present application.

3/ I have satisfied myself before approaching Government that an Assistant Cook for Europeans is indispensable. it is almost impossible for one man to cook in time the several diets and extras ordered for 32 patients; an extra ward cooly

ing to the increase in the number of sick.
 Therefore trust that in the interests of the
 Leprosy Hospital, Government will be pleased
 to sanction the additional Establishment
 applied for by the Superintendent.
 The usual proposition statement is
 enclosed.
