Most Respected Sir

I am a 2nd class Hospital Assistant lately dismissed from the Madras Medical Department without any reason. I on enquiring the Surgeon General on what grounds I was dismissed from the Service the Surgeon General gives me no reply (as will be seen from the letter herein enclosed). It is neither the Surgeon General nor the Surgeon Major J. H. Ritchie has asked me to give me the explanation for the fault I have committed (as supposed to be) while such be the case. I feel very much astonished how I was dismissed from the Service. Yours honor should remember all these have been caused. Concocted by Dr Ritchie. A. Dresser like myself at one. I abused him in return. This is all what happened. I did not disobey the orders of the Surgeon General or doctor.

have accepted his false report. Doctor Wilson
cannot prove on oath the reports that he has
submitted to be true. The Surgeon General too
on hearing the reports of Dr. Wilson has dismissed
me. The Surgeon General did not see with his own
eye who is at fault nor did he ask me to give
the explanation. I can not tell anything more to your
excellency. I request your honor to give me a
appointment again & also some the part of my
travelling allowance & to permit me in the govern-
ment. Although I have requested the Surgeon
General many times he did not send me

My service in the department was 7 years I have
applied many a time for my resignation. Previous to
my dismissal according to my agreement after
completing 7 years service. That too was not
accepted by the Surgeon General. According to
our agreement in the Bond he must accept
resignation. I have as he gives excuses informing
me that this is not the time to accept resignation
& so on. All those copies are with me if you
now wants to forward them to your honor
I am ready to forward them. The Surgeon
General has dismissed me without any
reason or whatever making me utterly useless
for anything therefore I request your honor
to consider all these & pity the poor petitioner
either to accept my resignation or to take
me back again in the Service. I recommend
the Surgeon General about me to take me back
again in the Service. My address is thus, as
follows.
