Humble representation of Baugh Mull Sowcar of Vizagapatam

Honored Sir,

On my application and on the recommendation of your Honorable Court H. E. the Governor of Madras was pleased to grant me in June 1886 a Certificate of Naturalization under Act XXX of 1852. This fact does not however appear to have been communicated to the Resident of the Western Rajputana States and the other authorities there.

Consequently this certificate gives me very little protection from the native States of those places.

I beg therefore that you will be pleased to take steps to get the fact communicated to the Resident of the Western Rajputana States in order that due publicity may be given to it in all the native States there especially in the Kingdom of Jalodi in Todhpore, Marwar. Copy of the Certificate given to me is enclosed for information.

I beg to remain

Honored Sir.

Your Most Obedient Servant

known and complains of ill treatment and oppression on the occasion of previous visits. I have the honor to ask that Government may arrange to have the fact of a naturalization certificate having been issued communicated to the Resident, Godhpore, for such publication as may be necessary to secure the petitioner his privileges as a British subject.

I have the honor to be

Sir,

Your Most Obedient Servant,

To

The Honorable J. I. Price,
Chief SECRETARY TO GOVERNMENT,
Public DEPARTMENT,
MADRAS.

SIR,

I have the honor to submit herewith for the orders of Government a petition addressed to me by one Baugh Mull Sowcar of Vizagapatam.

2. The petitioner is a substantial and respectable Marwari and has been resident here for the last 28 years. He is one of the principal native merchants of the place. In 1886 the Government was pleased to grant him a certificate of naturalization under Act ~~xxx~~ of 1852. (vide G. O. Nos. 827 and 1295 dated 19th April and 22nd June 1886 respectively, Miscellaneous Public Department). He says that the certificate affords him little protection in some of the native states in Rajputana to which he is about to proceed, by reason of the fact of his naturalization as a British subject not being known.
