Order 8th Nov. 90. No. 760.

Sanctioned.

2. The Act: Genl. is authorized to pass the increased allowance to an surgeon in future on receipt of intimation from the Surg. Genl. that the allowance has been passed.

The rules say that an Asst. Surgeon is entitled to the increased rate of pay on completion of 7 years' service provided he has passed a satisfactory examn. Will it not be sufficient if the Act: Genl. is authorized once for all to pass the increased rate on a report from the Surgeon General? The necessity for the sanction of Govt: in each case is not apparent.
