Clerk P. R. Sabapathy
Mudaliar of the office of
the Asst. Adj. Genl.
Madras District was
arrested for debt on the
17th Sep: last and com-
mitted to jail. His pay
is Rs. 25 and he acknow-
ledges debts to the extent
of Rs. 2000/. His case is
reported for orders under
G.O. No. 134. Pub: d/ 3. 2. 88,
and the head of his office
recommends that he be
removed from the pub-
lic service.

A schedule of the
clerk's debts is not sub-
mitted although necessary
under the G.O. quoted.
He has only 5 years'
service - has started
very badly - and if
kept on there seems
no reasonable prospect
of his clearing himself
of

of debt and thus be-
coming fully efficient.

Nothing is said
about the clerk ^{applying for} ~~making~~
the benefit of the
Insolvent Act ~~outside~~
the result of which is?
be a guide in disposing
of the case.

Orders are requested
whether the man shall
be dismissed or given
a fixed time within
which to apply for the
benefit of the Act. If he
failed to apply he c?
be dismissed and if
he did apply his case
w? come up in due
course with his papers
from the Insolvent Court.

The man states in his petition that
if his creditors will not compound
with him he will go to the
Insolvent Court. Should
he be given a period - say
15 days - within which to do
this or should he be required
to send in at once a schedule

if he does or should his services
be dispensed with on the report
made or should he be on this
called upon to show cause why
he should not be removed from
the service?

No 3640.

District Staff Office, En. Dist.,
Fort Saint George,
8th October 1890.

From Major J. E. Porteus,
Offg. Asstt. Adjut. General,
Madras District,
Fort Saint George.

To The Adjutant General,
Madras Army,
Cotacamund.

Sir,

I have the honor to report that I have suspended from work P. R. Sabapathy Moodliar, a Clerk in the District Office, Madras District (late Dy. Asstt. Adjutant General's Office) from the 14th September last, he having been arrested and incarcerated in the Civil Jail on the 16th Idem for debt, under a writ of the Court of Small Causes.

2. From the accompanying letter dated 3rd Instant from the above named Clerk, it would appear that his liabilities amount to Rupees (2000-0-0) Two thousands only. His Salary is Rupees 25 per Mensem, and it is already under attachment from 1st August 1889, for debt amounting to Rupees 220-9-9.

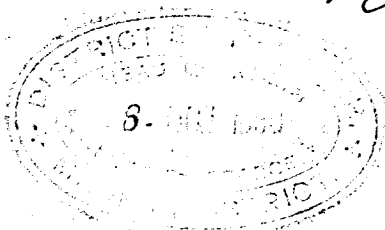

I think it is quite impossible ³
for him with his small salary
of Rupees 25 per mensem, to clear
off the large amount of debt incurred
by him; even if he gave the whole of
his pay for two years, he could not
possibly clear his liabilities.

I am informed his intemperate ⁴
habits are the cause of his debt,
and not as stated in his letter
attached, that he borrowed for
others, etc. I therefore request you
will be so good as to obtain the
sanction of Government for his
removal from the Public Service.

I have the honor to be
Sir,
Your most obedient servant.

J. Norton Major.

Asst. Adjut. Genl. M.D.

Respected Sir

With reference to the Depart-
mental order dated 30th September 1890
informing me of my suspension from office
from the date of my arrest under a small
cause bench warrant and incarceration in
the civil jail and calling upon me for
a full and detail account of my liabilities
and the period it would take me to
settle the same I beg leave to give a full
narrative of my difficulties from the date
of commencement up to the present stage
in the firm belief that your honor will,
with your wonted mercy towards those in
distress, report favorably, while doing so, to the
Government for their consideration and
disposal that I and those dependent upon
me for maintenance may for the remainder
of our lives secure the only means of subsistence
which

I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the above named matter. I have the honor to inform you that the same has been forwarded to the proper authorities for their consideration. I am, Sir, very respectfully,
 Yours, very truly,

which it has pleased God to provide the family
with -

When in June 1885 I entered the Government employ, my poor old father - who with the only assistance from his friends supported the family and conducted my education, was unemployed and had therefore to incur a certain amount of debt. I had with my poor salary of Rspees 20/- to take upon my head the burden of family support and also to clear the debt incurred by my father for family maintenance. Added to this misery was the demise of my uncle whose family also consisting of nearly 4 members became a burden upon my head. Thus at the very onset of my entering in the Government Service I was surrounded with difficulties not the result of any imprudence on my part but the effects of misfortune that overhanged the family for a long time. All these adverse circumstances urged me to incur a certain amount of debt which is my present difficulty. Such my indebtedness did not go more than Rspees 60/- most part of which as stated in my letter dated 24th September 1890 was liquidated
