CHIEF SECRETARY

Subject Encls. 1

Requesting that the two days

Selecte General, may be passed

but in my opinion leave to and in that

He has however the alternative of
proposing the two days from.

See no way out of it but what will
you propose.

In Order

Under Article 254 (last sentence) of
the Govt. to decide whether the two days
Mr. Grote & Mr. Grote should draw pay for
Saturday the 26th & Sunday the 27th April,
as Third Member & as 4th Member of
the Board of Revenue respectively.
The Act. Genl's contention hinges
on the fact that the last Saturday
in the month is an "authorized" but
not a "gazetted" holiday. The recent
correction in Article 254 of the C. S.
Regulations changing "authorized" to
"gazetted" places officers whose leave
may expire on an authorized holiday,
like the last Saturday of the month,
at a disadvantage, as they not only actually
lose the holiday and a day of their
leave, but having to take charge on
the day before such authorized holiday.

The case is a hard one but the Act's contention
seems to be correct. Section 202 C. S. R. will
lower the course which Mr. G. proposes
but his taking the two days will prevent
his being paid leave for 5 months
to come. Unless he can be granted leave
from this period & recalled to duty.
The possibility of this is however a matter
for consideration. Mr. G. possibly does not
completely taking leave for the last two days.

propose to apply for two days
leave retrospectively.

I could not, of course, be in the office on
the Saturday because the office was closed on that day. (Not that I could. I had

C. No. 1384
Madras, dated 7 May

From

The Honble J. Grose,
Third Member, Board of Revenue,
Madras.

To

The Chief Secretary to Government.

Sir,

I have the honor to transmit
copy of a letter from the Accountant General
dated 3rd May 1890, No 1442.

The Accountant General points out
that my joining time when I returned
to the Board's office expired on Saturday
the 26th April, that I did not take
charge till Monday the 28th April,
that Mr. Crook who had been acting
in the Board has drawn pay for

privilege under which the rearrangement
of appointments and allowances is
allowed to take effect on a gazetted
holiday previous to the actual
assumption of Charge, is subject
to the condition that such rearrange-
ment does not involve the transfer
of any officer to another station.
As a matter of fact Mr. Crook had
already drawn Acting allowance as
a member for the 2 days in question,
and I have deducted that amount
from your salary bill. The joining
time of 10 days has been allowed
on the assumption that you did
not travel on Sunday 20th April.

I have the honor to be,

Sir,
Yours most obed^t servant

Madras

Sir,

I have the honor to state that as you made over charge of the office of Chief Secretary to Government at Doda - Cammed on the morning of the 16th of April, the 10 days joining time admissible to you expired on Saturday the 26th idem.

As this was the last Saturday of the month, you apparently thought it would be sufficient for you to resume charge, as you actually did, on the morning of Monday the 28th. But, you will observe that in Article 254 of the Civil Service Regulations, the term "authorised" holiday has recently been altered to "Gazetted" holiday, and even if the last Saturday be regarded as a "Gazetted" holiday, the
