*Chief Secretary to Government
Public Department*

SIR,

As the question raised by Surgeon Major
W. G. King in the enclosed letter is of
sufficient importance to prompt my reference
the subject for the opinion of Government
I have the honor to request that an authori-
tative ruling may be published. At the same time
I wish to record my opinion that the order
Government regarding certain medical officers
taking private practice appears to me
sufficiently to meet this case.

I have the honor to be,

Sir,

Your most obedient servant,

J. L. Subeck
Surgeon-General with the Govt. of Mad.

*The Secretary to the Surgeon General
with the Government of Madras.*

Sir,

I have the honor to inform you
that under a late J.O., the Deputy
Sanitary Commissioner is, in con-
sideration of his receiving house rent,
forbidden to accept private practice.
This prohibition does not, as far as
I am aware, exclude bona fide con-
sulting practice. I have been offer-
ing the post of Medical Examiner
to an Assurance Company. Will
you kindly obtain the opinion
of the Surgeon-General as to whether
this may be considered consulting
practice or must be regarded as
private practice in its usual
acceptance. As no prescribing is
involved, but simply the giving
of an opinion, on behalf of a
recorded person, i.e. the Company,
I am inclined to regard it as fairly
within the definition of consulting
practice.

I think he should be by your
furnishing me with an early reply.
I thank you for the answer to the

Yours most obedient servant
W. G. King
Surgeon Major.

accepting the post of
"Medical Examiner to
an insurance company

I sh^d say yes
that it does
debar him

For orders.

King does not seem to be absolutely
prohibited from ^{offering advice} taking work such as
is that specified by him but it is sub-
mitted that it is desirable to lay down
that the Dr. Genl. Commr. & Supt. of Vaccination
should not hold any consulting practice.
He is essentially an inspecting Officer and
to perform his duties properly should be
almost constantly on the move. & therefore
seems very inexpedient that he should
accept any ^{professional} employment tending to induce
him to remain unnecessarily in Madras or
to return there from towns more frequently
than he would.
