To Col. Madras

Order 28th Nov. 90. No. 822

The attention of the Collector of Madras will be drawn to the great waste of Stationery incurred in the submission of the above advices of transfer of charge; 3 full sheets and 2 half sheets of paper having been expended, where at the most three "Certificate of transfer of charge" forms should have sufficed.

In the Collector of Madras

Notes These papers are becoming very numerous and the expenditure of labour & time over them should, it is submitted, be minimized

It is submitted that this, tho' in the right direction, does not go far enough. The form is absolutely useless. In 99 out of a hundred cases. An office (the Acct. Genl) is enough. The copies sent to Govt have merely to be lodged. Govt. at times wants to know when an officer assumed office & then the Collected paper has to be searched for. If the form were sent to Govt., the Acct. Genl. would be backed by the telephone & time saved.

(para 2). It is thought that the abolition of the form sent to Govt. will be a great improvement. The form is a waste of paper & time. It is suggested that the form be abolished & the necessary information be sent to Govt. by other means.

Not for the Chief Secretary

3 full sheets of paper and 2 half sheets have been expended over this transfer of charge. The offices are numerous but there would have been no objection to a "Transfer of Charge" form being used in the whole lot and would have saved trouble all round.

Draw attention to this and say that in future merely the ordinary transfer of charge certificate is required.
