Passing order re the exam-

Agent in Charge of
Vigafapataru, from appear-
ing again in Revenue settle-
ment & considering him to
have passed the Higher than 2
last Examinations.

No 1373.

Senior Assistant Collector's Office

Dated 18th October 1890.

17 NOV 90

From

E. L. Vaughan Esquire,
Ag. Senior Assistant Collector,
Visagapatnam District.

To

The Honourable J. J. Price,
Chief Secretary to Government,
Madras.

(Through the Collector of Visagapatnam)

Sir,

I have the honour to request that you will be so good as to draw the attention of His Excellency the Governor in Council to the following:-

2. In my last Higher Standard examination I passed in all subjects but Settlement. I have therefore to present myself only in this one subject at the examination to be held - presumably in Visagapatnam on the 21st of January - vide List in

Saint George Gazette dated 30th September 1890.

3. As Vizagapatam is 7 marches (88 miles) from this place the return journey alone marching every day will take me a fortnight so that allowing a rest here and there for my establishment, it will be seen that I shall be nearly 3 weeks absent from head quarters.

4. Of the six taluks included in my division, three are Agency and in these as special methods of enumeration have been undertaken, my presence during the enumeration will be very necessary.

5. The enumeration is ordered to begin on the 15th December and to end on the 15th February. The most important time will be from the middle of January to the middle of February as I shall then have to

to go round examining the work of the enumerators to see what progress the work is making and ensure its being finished in time.

6. The examination being on the 21st January I shall be unable to be back here before the 1st of February; the Agency tracts comprised in the above taluks is very large and between the date of my return and the 15th February it will be quite impossible for me to supervise the whole of the work properly. I have made no mention of the 3 ordinary taluks which will also require supervision.

7. The examination will thus seriously interfere with the Census work in the division. I have therefore the honour to submit that I may be exempted from appearing for the Revenue Settlement papers or that some arrangement may be entered

entered into whereby I may have
the paper given me. at or near
my head quarters.

I have the honour to be,

Sir,

Your most obedient servant,

~~W. J. J. J.~~
Superior assistant Collector.
