Lord Curzon's Administration

Desiring that the Resolutions & notes to be supplied in reference to ——— should be as brief as possible.

Madras 8th Dec 1890

From

J. D. Rees Esq C. D. Esq,

Collector and Magistrate

of the Nilgiris on Special Duty
and Persian and Hindustani Translator to Govern^{ment}

To

The Hon. J. F. Price

Chief Secretary to Government

Fort St George

Sir,

As I am now applying for privilege leave, I beg to report the progress I have made with the Special Duty to which I was appointed on the 15th November 1890. I have ^{however} been so much occupied in performing various offices for the late Governor, that I have had little opportunity of doing anything else.

2. I was desired to take in

hand the following matters: 2P

(1) To Collect and Edit Lord Connemara's Minutes. This work is far advanced.

(2) To edit the speeches delivered by Lord Connemara during his term of office. This work is also far advanced.

(3) To put together addresses and answers. I have collected these, arranged them and made them over to the Press.

(4) To edit in a continuous narrative the accounts of Lord Connemara's Tours which were written by me during his term of office. Lord Cross asked Lord Connemara that this work might be set in hand. I have made some progress with it & will continue to work at it, board ship, & on leave.

(5) To prepare an account of Lord Connemara's Administration. With this I have made no progress, for with one or two

trifling exceptions, no material has yet reached

me. I presume I am to endeavour to put together this narrative, but nothing can be done till I have the materials, and I would beg that notice might be sent to those who are engaged in supplying material, to let me have the briefest possible ^{of the monographs} notes. It is very doubtful whether I shall be able to devote much time to this, as my time will be fully occupied on the arrival of Lord Meulock. I shall, however, endeavour to do the best I can.

I have the honor to be
Sir,
Your most obedient
servant
J. P. R.

From The Surgeon General P. R. O.

Dated 18th & 29th Nov 1890.

FOR ORDERS.

The above are the replies of the Surgeon General and the Presidency Post Office to the references made to them for the information, requested in the Memorandum from Mr. J. D. Rice of

* In P. O. 247
11.11.90.

I would suggest that, per 8th Nov 1890, to assist in the compilation of an account of Lord Annamalai's administration for which Mr. Rice was placed on special duty in G.O. 179 of 18.11.90. I have no reason why the work should not proceed. It is a useful thing to take stock occasionally of the past as at present situated, can afford to do so.

In view of the recent changes it is submitted for the orders of the Government whether the papers may be forwarded to Mr. Rice and the work proceed.

Yrs.

I suppose the work will not be long.

For Orders,
It has been decided, that Mr. Rees is to have continue the work of writing an account of Lord Comyn's Administration. Attention is solicited to the last portion of his present letter. The substance of it might be communicated to the Sect. Depts., and they might be instructed to put the monographs in type and have what papers are necessary ready awaiting Mr. Rees' return.
