General Hospital
Madras, 15th Nov/90

No 598

From

The Senior Medical Officer
General Hospital

To

The Secretary to the Surgeon General
With the Government of India

I have the honor to state for
the information of the Surgeon General
that Assistant Engineer Mr. [Name]
came to the hospital to select a site
in view to the preparation of plan
and estimate for the erection of a
permanent ward for the accommoda-
tion of high caste patients, in
accordance with the orders conveyed
in G. O. No 686, dated 16th October 1890.

2. The Surgeon General is aware
that on the occasion of the last visit
of His Excellency the Governor in Coun-
cil, it was thought undesirable to
erect any more buildings on the
limited grounds of the hospital. It

is therefore suggested that when
the third storey is erected for native
Gentlemen and general patients,
one of the present surgical sheds
should be made available, with such
alterations as might be necessary, for
the exclusive use of high caste patients,
and thus avoid the necessity of en-
croaching on the ground any fur-
ther.

3. As it is not possible at present
to make adequate provision for the
wants of Caste patients, I beg that
Government might be moved to order
a postponement of arrangement for
these patients in the General Hospital
till such time as the third storey
be built.

I have the honor to be
