in any case of the kind. I found that the
City Police had acted on an Official Memo-
randum from the Deputy Conservator of the
Port, Ct. 1140 dated 2nd July 1899, forwarding
telegram received by him from Negapatam.
The telegram had been returned to the
Port Office, but I found an endorsement to
the Port Officer's Memorandum "Telegram
from Negapatam re Shaik Mohidin
shipping 3 females surreptitiously on
board S.S. Siroa to Rangoon." It naturally
included that the telegram had passed
between the Port Officers at Negapatam
and Madras. I have now obtained the
original Telegram which I find was
from Negapatam from one P. S. Chakra Vora
"The Master Attendant at Madras as follows:-
"Shaik Mohidin shipped 3 females Rangoon"
Steamer Siroa Treacherously."
When the persons arrested on board
the Siroa were forwarded to the Magistrate
at Negapatam a copy of this telegram was
sent with the other documents and no
remark was made to correct any impression

that it emanated from the Port Office at Negapatam.
a belief which I retained until receipt of
the proceedings of Government above noted.
5. The Negapatam Police observe that they received any call for information
from the Madras Police. Inspector Marshall
(City Police) since deceased, who went to
Negapatam with one of these Cases wrote
twice to Inspector Hayman of Negapatam.
Head Constable Forsyth who was then doing
duty with the Beach Division, City Police, says
he saw both these letters. One letter Forsyth
wrote himself and it was signed by
Inspector Marshall. The other letter was
both written and signed by late Inspector
Marshall. It is singular if both the
letters miscarried.
