SIR,

I have the honor to state for the information of Government that since the separation of the Department in 1880 the duties of arranging for medical invaliding Boards & for all civil employes of Government and of preparing the Boards Proceedings have devolved on this office.

2. The Board hold their sittings once a week at this office and a clerk and peon of the office established must have been detailed for duty in connection with the Board under the superintendence of the manager in addition to their legitimate duties in the office. This arrangement has therefore thrown extra labor on those concerned and necessitates their working out of office hours without any

any additional remuneration for the same.

2. I understand that in the military Department the clerk who performs corresponding work in connection with military medical Boards draws an extra allowance of Rs 35 per mensem. vide copy of letter enclosed.

3. I would therefore strongly recommend that the clerk and person in this office be granted an extra remuneration of Rs 15 and Rs 2 per mensem respectively for the additional duties they are required to perform.

Reference.

One of the grounds
on which the Surgeon
General bases his appli-
cation for extra remun-
eration to the clerk and
person of his office who are
detailed for duty in con-
nection with the Civil
Medical Board is that
the clerk who performs
corresponding work for
the Military Medical
Board receives an allow-
ance for it of Rs. 35 p.m.

This, however, is
not borne out by the
letter from the P.M. Off.
H.M. Forces, which ^{it is said} says
that the clerk draws
extra pay "for the total
number of days on
which Boards assemble
in a month at Rs. 35
per mensem". The
authority ^{quoted} for this allowance
is, ~~in the~~ paras. 226 &
227, Sect. 8011, Pay & Allow.
Regul: but it is understood
that

that those Reqs were superseded by ~~the~~ the Army Reqs. India of more recent date. This however, is not a point for consideration in the Civil Dept. ^{Refer letter from Med. S. 10/11/90}
 The Surgeon General is requested to report what pay the ~~stationary~~ peon referred to in his letter receives and for how many hours in a month on the average ^{the clerk and peon} ~~they~~ are employed on extra-office work in connection with the Civil Medical Board.

Note

bs.
18/12/90

The Surgeon Genl. recommends that the pay of one of his clerks and of one of his peons be increased by a local allowance of Rs. 15 and Rs. 2 respectively in consideration of the extra duty - estimated at from 8 to 12 hours a month - performed by them in connection with the weekly Civil Medical Boards. The Surgeon General points out that the clerk who attends the Military Medical Board receives an extra allowance of Rs. 35 per mensem. This is not borne out by the letter submitted in support of the statement which ~~explains~~ ^{explains} that the allowance is passed for the total number of

of days on which Board
assemble in the month
at the rate of Rs. 35. This
is very different and it
is probable that the
clerk never gets more
than an extra 7 or 8 Rs.

It is submitted that
if the clerk ^{in the Surg. Genl's Office} is allowed
an extra day's pay for
the days on which Medi-
cal Boards sit he will be
amply recompensed;
and the peon might
be given an additional
one rupee a month.

In this connection
it is pointed out that
the necessity for the
lengthy official design-
ation "Surgeon General
to the Govt of Madras"
has ceased to exist as
the head of the Army Medical
Dept is now the "Princi-
pal Medical Officer, Army
Forces, Madras".

Local allowance to a clerk & a
peon in the Surg. Genl's Office
