note for the C.S.

It is submitted that
these pamphlets should not
be forwarded. They are
both of old date - Feb &

himself says he wants
them sent on as a

para of the petitioners'
letter seems objectionable.

What has to do with this
business at all. The matter
is a resident of Secunderabad.
The Resident is the proper
person through whom to
send what is really a letter
he have nothing to do
with Secunderabad.

From the address at the
head of his letter he
appears to be living in
Madras at present.

That he chooses to come down for
a time here or to live here permanently
is no reason for our having anything
to do with this business.
