Note

10/12/90

I have today received a confidential letter
from the Viceroy at the bottom of which

is the address

to H.R.

The Hon. Mr. Henry Gordon, C.B.

The letter is printed but signed by Lord Lansdown
and the letters H.R. have been deliberately
added in manuscript. I am not sure
whether they were added by Lord Lansdown
himself or not. In the 2 envelopes
in which the letter came an enclosure
is shown but the Viceroy mentions that
a provisional copy had been sent (addressed
to H.R.)

This note justifies me in having raised the
question & shows that my two colleagues

were right in their decision.

~~It also settles the question of some precedent~~
for future guidance.
