PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Public Department Dated 3^d
December 1890 N^o 84, 6, ^{Subung} Reporters of Surgeon
General that the plot of ground referred to,
required for purpose of the technical
Institute is not in charge of the Medical
Department.

Order dated 17th December 1890 N^o 3293 L.Mis.

In para 4 of his letter dated 7th
February 1890 N^o 16, the President of the
District Board applied for the transfer of
the observatory ground to the Board, subject
to the condition that the proposed building
for the Museum and the Library does not
interfere with the observatory; but from
the Meteorological Reporter's letter communi-
-cated with the G.O. read above it appears

that the observatory has now to be removed
on this account, though a change in its
site is considered objectionable. The President
will report whether in these circumstances
it is necessary to transfer the observatory
ground to the District Board.
