To

The Chief Secretary to Government
Public Department
Madras

Sir,

Referring to Government Order No. 398 dated 3rd June 1890, I have the honor to request the renewal of the sanction for the employment of the temporary clerk on Rs 20 therein accorded as the Accountant General requires the renewal of sanction for every 6 months in all cases where the period of temporary retention of extra. establishment is not fixed by Government.

2. In this connection I beg to state that the work connected with the registration under act v of 1866 of laborers going to Assam has largely increased since this clerk was sanctioned - at which time Mr. Horsfall asked sanction for 2 clerks.

The marginally noted table shows the amounts collected under the act in the shape of fees from recruiters and Contractors during the past 12 months.

3. The one clerk already sanctioned is unable to cope with all the work - the details of which are given in this office letter No. 3435 dated 14th May 1890. Whenever these laborers come in large gangs, which frequently happens, two or three clerks of the regular staff have to be deputed to this work.

work to the detriment of their legitimate
duties. Under these circumstances
I consider that the appointment of
a second temporary clerk on No. 15 is
necessary and accordingly request sanc-
