myself and think that it is a mistake. As
this, as in all other matters connected with
the publication I have merely advised, and
communications have gone out in the name
of the Chief Secretary when he has approved
them.

5. I submit with deference that I do
not know why a coercive G. O. has been issued
to me on this occasion. In accordance with
the informal relations hitherto prevailing bet-
ween this establishment and the Chief Sec-
retary's office I have made remarks re-
garding the Superintendent's letter to the
same officer under whose initials it came to
me, but I have never for one instant gain-
sayed any instruction sent me from the Chief
Secretary's office. As however, I infer that a
continuance of informal relations is not de-
sired, future communications regarding the
Glossary will be official.

I have the honour to be
Sir,

Your most obedient Servant,
C. H. Lawrence

In charge of Special Establish-
ment.

To

The Chief Secretary to Government,
Public Department, Madras.

C N 567.

Camp Napur Taluk, Nellore
District.

Dated 22nd February 1891.

From.

C. D. Maclean Esquire,

Incharge of Special Establishment.

To.

The Chief Secretary to Government,
Public Department, Madras.

Sir,

I have the honour to state that in compliance with G. O. No 110 dated 10th February, 1891, I shall return, on the 26th instant when I shall be able to attend to the matter personally in Nellore, a chest containing all the books which are not absolutely necessary in terms of the G. O. with a list.

2. This is not however what the Superintendent of the Museum appears to require, for he has asked for return of the whole of the library taken out with a view to Cataloguing; and it was because I did not consider that any object would be gained by returning a portion that I did ^{not} hitherto propose doing so. If the Superintendent urgently requires the remainder I should suggest their being sent to him and then being returned again to Editor.

3. This remainder should be with the Editor as long as there are any sheets passing through the Press.

4. With reference to heading to Superintendent's List II I have no recollection of ever taking out a book from the Museum.
