Order. 10th March 91st 193

The Gov. is unable to approve of the action taken by the Protector of Emigrants reported in his letter read above. It is observed that the grant of free quarters to the cabin in question does not meet the requirements of the case. It is necessary that the quarters should be licensed as a depot and inspected and managed under the Emigration Depot rules, and such a course is impracticable.

Subject.

Regarding the despatch
of Coolies to Nelli Kuppam
for work in the factory

unanimously approved of the Agent's proposal
and sanctioned it. I understand from
Messrs Panyanjo that each of the coolies
as have been sent to Nellikuppam will
be paid 4 annas a day each with free quarters.
Not only will this course relieve the
Depôt Officers of the trouble, which
these coolies are giving but will also
be pecuniarily advantageous to the
coolies themselves and the daily work
will probably improve their health.

From

PROTECTOR OF EMIGRANTS,

The Honorable J F Pice

CHIEF SECRETARY TO GOVERNMENT,

PUBLIC DEPARTMENT,

Fort St. George.

SIR,

I have the honor to report for the approval of Government my action in having permitted Messrs Parry and Co Emigration Agents for Natal to take some coolies from their Depot here to Nellikuppam for work in their factory.

I have frequently found the coolies in the Depot refractory and quarrelsome. They amuse themselves by concocting frivolous complaints either against one another or against the Depot officers, the result of their remaining for months in the Depot well fed and well taken care of in other respects with nothing whatever to do - a life to which they were never before accustomed. I therefore

thoroughly
