3990

The original estimate for additions
to the General Hospital, sanctioned in
G.O. 2238 W. D. 18th August 1890, aggregated
Rs 8990. Those now submitted amount
to Rs 5365. The difference is due to
(i) An increase in the cost of the fire engine shed — + 70
(ii) An increase in the cost of the retiring room for lady students + 1355
+ 1425
+ (iii) the abandonment of the quarters for native gentlemen
patients — 5050
Total = 3625.

No reason is assigned for the increase in item (i). The increase in item (ii) is stated to be due to the provision of additional rooms, and item (iii) will be provided for in the proposed third storey of the Hospital. The changes in regard to the retiring room for ladies & the quarters for native gentlemen are stated to be for the

Medical Officer to have been
approved when Lord Connemara
and Honorable Members visited
the Hospital.

The Consulting Architect
