The Chief Secretary to the Government

Calcutta, the 28th February 1891.

Sir, With reference to the Statements dated, respectively, the 27th ultimo and the 3rd instant, of deaths in the town of Madras for the weeks ending 23rd and 30th January last, I am directed to point out that the four questions on the 2nd page of the Statements have not been answered, the number of deaths from cholera during those weeks being merely noted against them. I do to request that, with the permission of His Excellency the Governor in Council, the Medical Board may be instructed to give in future a specific answer to each question whenever there has been any deaths from cholera.

I have the honour to be,
Sir,
Your most obedient Servant,

J. J. Melitus
