Montreal - Feb 24th 1891.

The Chief Secretary to Government -

Madras -

18/3/91

The Enclosure for me was posted
the last April upon the 13th May
Inst. and I have now the honour to
ask the Government will be pleased
to grant me an extension of leave for
5 1/2 months -

2. My reason for making this application
to Government is that upon my
applying to the Secretary of State I
have been informed that no extension
of leave will be granted by him
except on a certificate from the
Government to which the application

subordinate, to the effect that such
extension is unquestionable - and the
rule to which I have referred requires
further that such certificates be presented
to the Secretary of State about three
months before the termination of
the leave to be extended -

3. A rule thus conditioned means
that, for practical purposes, officers
on Furlough must apply for extension
of leave to their own Government
and that the Secretary of State will
no longer undertake to dispose of
applications of this kind -

4. May I ask you to oblige me by
obtaining the early action of
Government so that they may

reach me by the return mail - As the
earliest I cannot hear from you
until the middle of April and in the
event of an extension of furlough being
granted I should not have much
time to mature my plans -

I have the honour to be, Sir,
Your most obedient servant -

G. Gibson.
