From

The *Ag.* Agent and Manager. M. R. L.

To

The *Engg.* Consulting Engineer for Railways.

SIR,

I have the honour to report
for your information that on arrival
at Salem of the G.S. train of the 28th ultimo
a native male 3rd class passenger named
Kunji Aura of the Moplah caste was found
to be suffering from cholera. He was removed
from the carriage, but before he
could be taken to the cholera camp
without the Railway premises he
died on the platform owing to his
being in a very collapsed state when
taken out.

The usual precautions have been
taken

I have the honour to be,
^{Sir,}
Your most obedient servant
J. H. Mellis.
