From

A. REA, ESQUIRE, M.R.A.S.,

ARCHAEOLOGICAL SURVEYOR TO THE GOVT. OF MADRAS,

To

The Chief Secretary
to the Government of Madras.

SIR,

I have the honour to state that I have received proofs of a number of drawings which were sent to Calcutta with reference to G.O. No. 894 P. of the 19th December 1890, and have been selected for the Technical Art-Series.

2:- I have been asked to write a few notes on each, after the manner of those accompanying the previous issue of that series. I have written the notes, but cannot say if they are in the style of the others, as I have not been supplied with copies, and have never seen them. I would request that the previous series might be sent to me, and others as they are issued.

3:- I would request that when the yearly manual of the administration of the Madras Government is published

Note for Mr. Schmidt.
Copies of the Technical Art Series Plates last received have been distributed in accordance with G.O. No. 107 of 12.2.91 Educational.

In the distribution list of 1889, of the administration Report of the Madras Pres. for 1887-88, I find the Archaeological Surveyor not mentioned as a party having received or who ought to receive a copy although he confessed receipt of a copy for 1887-88; Subsequent orders, too, sanctioning the supply of a copy to him are not traceable in the Library Register. The references, however, can, in my opinion, sanctioning a supply to him of the book in question; I however put up herewith a copy of the Admin. Report for each of the years 1885-89 & 1889-90.

Yours faithfully

A. R.
