To

His Excellency the Most Honourable
The Governor General of India in Council

My Lord Marquis,

I have considered in Council your Excellency's Letter, dated the 3rd of December 1890, No: 58 (Public), forwarding a memorial from C. V. Ganapayya, late Head Munshi to the Canarese Translator to the Government of Madras, appealing against the action of that Government in abolishing his appointment, and granting him a pension of one fourth of his salary, for which he was eligible under the rules.

2. The course adopted by the Madras Government seems to have been proper, and the memorialist must be informed that I decline in any way to interfere with it. In view, however, of the fact that, so far as can be judged from the Letter of that Government, he performed his duty with credit, and lost his appointment from no fault of his own, but purely from the necessity for effecting economy in the public service, I sanction the increase of the pension, as a special case, to Rs 50/- a month, with effect from the date of its commencement, unless your Excellency sees any objection to such a concession.

I have, &c;

TO THE RIGHT HONOURABLE

VISCOUNT CROSS, G.C.B.,

Her Majesty's Secretary of State for India.

Calcutta, the 3rd December 1890.

MY LORD,

WE have the honour to forward a memorial addressed to Your Lordship by C. V. Ganapayya, late Head Munshi to the Canarese Translator to the Government of Madras, in which he appeals against the decision of the Local Government granting him a compensation pension of R38-12 a month, and prays that he may either be provided with a suitable appointment or given a pension equal to one-third of his average salary of R155 a month. We also

* No. 535, dated 23rd July 1890. forward a copy of the letter* from the Madras Government under cover of which the memorial was submitted to us. We have no recommendation to make on behalf of the memorialist.

2. With reference to the allegation contained in paragraph 13 of the memorial, we have to observe that if the memorialist had retired on the 23rd March 1888, he would have had a qualifying service of only 14 years, 5 months, 4 days, and would have been eligible under the rules then in force only for a gratuity of 12 months' pay, instead of a pension equal to one-third of his salary as alleged by him.

We have the honour to be,

MY LORD,

Your Lordship's most obedient, humble Servants,
