a Report and Return
regarding the employment
in civil capacity of Pen-
sioners of the Madras
Native Army.

2467

Report by Colonel J. Leigh Stuart,
Superintendent of Pensions, on the
employment of Pensioners of the
Madras Native Army in civil
Capacities, agreeably to the Scheme
promulgated by His Excellency
Sir Frederic Roberts, Bart. G. C. B.,
G. C. I. E. V. C., late Commander in Chief,
Madras Army.

Fort Saint George,
7th August 1890.

The Report dated the 10th February
1890, after the Scheme had been in
work for four years and nine
months, showed 2288 Pensioners
as remaining in employment on
the 30th September 1889, under the
new conditions.

2. Between October 1889 and
March 1890, a period of six months,
employment has been found for
507 Pensioners, which added to the
2288 employed Pensioners alluded
to in the preceding paragraph,
gives

gives a total of 2795 Pensioners.

3. Of the above number (2795), 304 are reported as having voluntarily resigned employment, 70 as having been thrown out on reduction, 31 dismissed for negligence of duty, disobedience of orders &c. and 27 died, leaving thus on the 31 March 1890, a total number of 2363 Pensioners employed under the new conditions.

4. The Scheme has now been on trial for five years and a quarter, and the steady increase in the number of men employed testifies to the continued appreciation of the public towards this source of obtaining labour. The Press has also done much to further the Scheme by the ready and kind encouragement it has ever given with its pen, and by the periodical publication in its columns of the results of these Half-yearly Reports.

48
5. On the 31 March 1890, there were 874 candidates for employment at the different stations in this Presidency viz:—

Nominal Rolls of these men, giving their ages, stations, nature of employment required by them &c. &c.

have been printed and circulated freely throughout the Presidency. In addition to the number of men above enumerated, there are now some hundreds of young, active able-bodied men of good character seeking employment, men who have been lately pensioned from the 10th, 12th and 33rd Regiments, Madras Native Infantry, on disbandment.

6. Of the 781 Pensioners who remained in employment on the 30th September 1889, (vide last Report) which employment they had found for themselves prior to the introduction of the new Conditions, only 729 Pensioners remained in employment on the 31st March 1890, shewing thus a decrease of 52 Pensioners since last Report, and which number is accounted for as follows:—

Voluntarily resigned	35
Thrown out on reduction	2
Dismissed	3
Died	12
Total	52

Thus

58

Thus the number of Pensioners employed on the 31st March 1890 stood as follows:—

Total	3097

7. During the Half-year under report, there has been an increase in the number of Pensioners employed in the Stations:—

8. A statistical statement—
showing the percentage of Pensioners
employed at each station, and
giving a rough estimate of the
savings to Government thus—
effected half-yearly in the
shape of rice-compensation, is
herewith attached.

9. As stated in the previous
Report, application for the services
of Pensioners should be made to the
different officers in charge of Pensioners,
of whom there is one at each of the
principal stations in the Presidency—
vide pages 176 and 177, Madras Quarterly

formation on the subject will, on
application, be supplied by the

PUBLIC DEPARTMENT.

READ—the following paper :—

From Brigadier-General HUGH P. PEARSON, C.B., Adjutant-General, to the Secretary to Government, Military Department, dated Ootacamund, 21st August 1890, No. N.A.-1661.

I have the honor, by desire of the Commander-in-Chief, to forward, for the information of Government, letter, No. 1675, dated the 7th instant, from the Superintendent of Pensions, together with a report, regarding the employment of pensioned soldiers of the Madras Army in civil capacities for the period between October 1889 and March 1890, and to say that His Excellency considers the report a satisfactory one.

2. I am to request that the report now submitted may be printed and circulated in the Public Department. His Excellency proposes to send a copy to the Madras Press.

ENCLOSURES.

From Colonel S. LEIGH HUNT, Superintendent of Pensions, to the Adjutant-General, Ootacamund, dated Fort St. George, 7th August 1890, No. 1675.

I have the honor to forward, for the information of His Excellency the Commander-in-Chief, a report and return regarding the employment in civil capacities of pensioners of the Madras Native Army.

REPORT by Colonel S. Leigh Hunt, Superintendent of Pensions, on the employment of pensioners of the Madras Native Army in civil capacities, agreeably to the scheme promulgated by His Excellency Sir Frederick Roberts, Bart., G.C.B., G.C.I.E., V.C., late Commander-in-Chief, Madras Army.

The report dated the 10th February 1890, after the scheme had been in work for four years and nine months, showed 2,288 pensioners as remaining in employment on the 30th September 1889 under the new conditions.

2. Between October 1889 and March 1890, a period of six months, employment has been found for 507 pensioners, which added to the 2,288 employed pensioners alluded to in the preceding paragraph, gives a total of 2,795 pensioners.

3. Of the above number (2,795), 304 are reported as having voluntarily resigned employment, 70 as having been thrown out on reduction, 31 dismissed for negligence of duty, disobedience of orders, &c., and 27 died, leaving thus on the 31st March 1890 a total number of 2,363 pensioners employed under the new conditions.

4. The scheme has now been on trial for five years and a quarter, and the steady increase in the number of men employed testifies to the continued appreciation of the public towards this source of obtaining labour. The Press has also done much to further the scheme by the ready and kind encouragement it has ever given with its pen, and by the periodical publication in its columns of the results of these half-yearly reports.

5. On the 31st March 1890 there were 874 candidates for employment at the different stations in this presidency, viz.:—

Arcot	7
Arni	13
Anantapur	2
Bangalore	70
Bangalore district	2

Nominal rolls of these men, giving their ages, stations, nature of employment required by them, &c., have been printed and circulated freely throughout the presidency. In addition to the number of men above enumerated, there are now some hundreds of young, active, able-bodied men of good character seeking employment, men who have been lately pensioned from the 10th, 12th and 33rd Regiments, Madras Native Infantry, on disbandment.

6. Of the 781 pensioners who remained in employment on the 30th September 1889 (*vide* last report), which employment they had found for themselves prior to the introduction of the new conditions, only 729 pensioners remained in employment on the 31st March 1890, showing thus a decrease of 52 pensioners since last report, and which number is accounted for as follows:—

Voluntarily resigned	35
Thrown out on reduction	2
Dismissed	3
Died	12
Total	52

Thus the number of pensioners employed on the 31st March 1890 stood as follows—

Pensioners employed under the new conditions	2,363

Total	3,092

8. A statistical statement showing the percentage of pensioners employed at each station, and giving a rough estimate of the savings to Government thus effected half-yearly in the shape of rice compensation, is herewith attached.

9. As stated in the previous report, application for the services of pensioners should be made to the different officers in charge of pensioners, of whom there is one at each of the principal stations in the presidency—*vide* pages 176 and 177, Madras Quarterly Army List—and any particular information on the subject will, on application, be supplied by the Superintendent of Pensioners, Fort St. George.

ENCLOSURES.

From Colonel S. LEIGH HUNT, Superintendent of Pensions, to the Adjutant-General, Ootacamund, dated Fort St. George, 7th August 1890, No. 1675.

I have the honor to forward, for the information of His Excellency the Commander-in-Chief, a report and return regarding the employment in civil capacities of pensioners of the Madras Native Army.

REPORT by Colonel S. Leigh Hunt, Superintendent of Pensions, on the employment of pensioners of the Madras Native Army in civil capacities, agreeably to the scheme promulgated by His Excellency Sir Frederick Roberts, Bart., G.C.B., G.C.I.E., V.C., late Commander-in-Chief, Madras Army.

The report dated the 10th February 1890, after the scheme had been in work for four years and nine months, showed 2,283 pensioners as remaining in employment on the 30th September 1889 under the new conditions.

2. Between October 1889 and March 1890, a period of six months, employment has been found for 507 pensioners, which added to the 2,283 employed pensioners alluded to in the preceding paragraph, gives a total of 2,795 pensioners.

3. Of the above number (2,795), 304 are reported as having voluntarily resigned employment, 70 as having been thrown out on reduction, 31 dismissed for negligence of duty, disobedience of orders, &c., and 27 died, leaving thus on the 31st March 1890 a total number of 2,363 pensioners employed under the new conditions.

4. The scheme has now been on trial for five years and a quarter, and the steady increase in the number of men employed testifies to the continued appreciation of the public towards this source of obtaining labour. The Press has also done much to further the scheme by the ready and kind encouragement it has ever given with its pen, and by the periodical publication in its columns of the results of these half-yearly reports.

6. Of the 781 pensioners who remained in employment on the 30th September 1889 (*vide* last report), which employment they had found for themselves prior to the introduction of the new conditions, only 729 pensioners remained in employment on the 31st March 1890, showing thus a decrease of 52 pensioners since last report, and which number is accounted for as follows :—

Voluntarily resigned	35
Thrown out on reduction	2
Dismissed	3

Total	52

Thus the number of pensioners employed on the 31st March 1890 stood as follows :—
