SIR,

With reference to para 2 of G.O. N<sup>o</sup> 194 Pub. dated the 10<sup>th</sup> March 1891, I have the honor to submit the annexed distribution list of Dr. Morduen Sheriff's "Materia Medica" for the approval of Government.

2. The Superintendent Government Press reports that the estimated cost of printing 800 copies of the work inclusive of the cost of paper and binding, will be about Rs 800 and he therefore suggests that the book should be sold at 1 rupee per copy. In this view I concur.

3. I would propose that a Circular order be issued by Government to all District Boards and Municipalities pointing out to them the necessity of providing each of their hospitals with a copy of this useful work.

I have the honor to be

Sir

Your most obed<sup>t</sup> servant
