No. 317

From

The Assistant to the Resident in Mysore

To

The Registrar General of Births,
Deaths and Marriages,
Madras.

Dated Bangalore, 29 January 1891.

Sir,

I am directed to reply to your letter G. No. 34.
of the 16th instant, regarding the supply of forms
to Marriage Registrars.

2. It seems to the Resident that the most
convenient plan will be for the Superintendent
of Stationery, Madras, to supply all such forms
to Marriage Registrars after the application
for them has been countersigned by the Resident,
or preferably after countersignature by yourself.

3. If you have no objection to this I am
to ask you to communicate with the
Superintendent of Stationery and to
inform the Marriage Registrars within

the Mysore State accordingly.

I have the honor to be,

Sir,

Your most obedient servant

(signed) L. S. Newmarch.

Assistant to the Resident.

From

M R R Y S. Srinivasa Raghavayengar Aiyangar,
Dewan Bahadur
Registrar General of Births, Deaths and Marriages,
Madras.

To

The Honorable J. F. Price,
Chief Secretary to Government,
Pootacamund.

Madras, the 6th April 1891.

Sir,

I have the honor to submit for the orders of Government, copy of a letter from the Assistant Resident, Mysore, suggesting that forms of registers required by Marriage Registrars in the Mysore Province and Coorg appointed under the Indian Christian Marriage Act, 1872, may be supplied to them by the Superintendent of Stationery, Madras, on applications from the Registrars concerned countersigned by the Resident or by myself.

2. I see no objection to the arrangement proposed which seems to be a convenient one. The Registrars in the Mysore Province in like manner with Registrars in this Presidency may, under Rule 2, Head VII, of the rules under the Indian Christian Marriage Act, 1872, be authorized to send their inquiries for forms direct to the Superintendent of Stationery Madras.

3. The question arises as to whether the cost
of the forms supplied to marriage Registrars
in Mysore and Coorg should be recovered from
the Resident, Mysore or charged in the
accounts of this Government. As the cost is
likely to be small it seems to me that the charge
may be borne by this Government for the present.

I have the honor to be,
Sir,
Your most obedient servant

Edmund A. J. J. J.
Registrar General of
Births Deaths and Marriages.

There seems to be no objection to the proposed arrangement - the only question is as to the debit of the cost of the forms. No estimate is given.
