Proceedings of the Board of Revenue

16th (Land Revenue).
Dated ~~29~~ 29 January 1891,

No. 1057 Mis.
Routine.

READ Following letter from H. A. Mellock, Coquine Collector
Vijayapattinam District dated 18 January 1891 No 175 to the
Secretary to the Commissioners of Land Revenue Madras

I have the honor to suggest that it would be a great
convenience from the record keeping point of view if arrangements
were made that state telegrams should be issued from the office
of receipt on forms of foolscap or half foolscap size, in this Pre-
sidency at any rate. The Board has I have no doubt frequently
felt the inconvenience of dealing with bundles of papers contain-
ing important telegrams on the forms now used, which in addi-
tion to being very flimsy do not slow away with any recog-
nized size of paper. In districts like this where a considerable
proportion of all important correspondence is by telegrams the dis-
advantage of the present system is serious.

Resolution

The Collector's letter will be referred to the Super-
intendent of Telegraphs.

READ following letter from Arthur Hallam Esquire Superin-
tendent Government Telegraph Department Madras
Division dated 18th February 1891 No 5896

With reference to Resolution No. 1057, dated the 16th of
February 1891, I have the honor to inform you that Vizaga-
patnam is not in the Madras Division of Telegraph and
to request that the matter may be referred to the Superin-
tendent of Telegraph East Coast Division Vizagapatnam.

Resolution

As there appears to be no general Head of Depart-
ment in this Presidency, the Collector's letter will be submitted
to Government for such action as Government may think
necessary.

The suggestion seems a good one but is probably costly.

SUBJECT.

Subm. to Govt: letter
from the Collector of
Vizagapatnam suggesting
that state telegrams
may be issued on
foolcap paper instead
of on the paper now in
use.

How
For orders whether Mr.
Willoch's suggestion regarding the
issue of service messages on foolcap
or half foolcap size should be forwarded
to the Govt of India for transmission
to the Director General of Telegraphs.

The suggestion would, as the
Board observe, prove costly and the
benefits derived from its adoption would
be very small. The inconvenience in
regard to putting away telegrams in
records, complained of by Mr. Willoch,
has not, it is thought, been felt in
any of the Secretariat Depts which receive
as many telegrams as the Agent
in Vizagapatnam does. It would thus
be a case of a small benefit to a large
inconvenience.
