

Public No 1179

To The Secretary to the Governor in
Council Madras.

The humble representation of Yalamanchili. Papayya
Somayaji, a Brahmin & a Pundit of Poldapur in
Poldapur Taluq. Godavari District.

O' Lord.

I most obediently, & humbly, beg to represent,
with pleasure, that from my long experience of 50 years,
the laws of any other ~~old~~ native Government have no
match with the laws of the English Government, in
point of justice. At present, there are no native
sovereigns in this part of the country to examine my
abilities in Sastras. Till now my knowledge in Sastras
could not have the opportunity of being put to a
regular test even by the English Government, as I am
a native & do not know the English.

I beg to be excused to say that my knowledge in
Sastras is such ~~as to be~~ ^{as to be} examined in the presence of
the Government alone & that I should be allowed
