[Despatch Abstract.]

Re
Porter, a senior
experienced European
Agent Surgeon to the
work as a tempo-
rary measure —

No. 12

Kurnool Collector's Office.

Enclosures.

Kurnool Dated 2nd April 1891.

From

Charles Kongsuquie,
Collector of
Kurnool

To

The Chief Secretary to Government
Public Department
Madras

Sir,

I have been asked by the
European Residents of this State
most of them with wives and families
to address Government on the subject
of Kurnool being left without
an experienced European Medical
Officer. The same feeling is, I believe,
shared by all the Eurasians
by a large proportion of the
Native population also.

2

I have the honor therefore
to submit with deference and respect

Government. It will be perhaps
within its recollection that in this
month of last year we had 50
percent of the people down with
illness, and we were then in
the same predicament as we are
now, i.e. without a District Surgeon;
nor are these two the only
occasions on which this has
occurred within my period of
service.

I would respectfully sub-
mit that if a spare officer
is not available, the state of
things calls for a transfer,
from some station, enjoying
a comparative immunity from
sufferings, of such aid to this,
the head quarters of District

altogether, heading the de-
rate of the Presidency.

I have the honor to be
Sir,
your most obedt. Servt.

No. 321

From

Mr. F. de Labeck Esq. M.D.

THE SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

Chief Secretary to Government,
Public Department

SIR,

In returning the letter from the Collector of Kurnool referred to me for report under your endorsement dated the 21st April, I have the honor to state that owing to the paucity of Commissioned Medical Officers several important stations in this Presidency are now in charge of Assistant Surgeons and as the Military Department is at present unable to spare ^{even} one, on account of the unsettled state of affairs in Burma I regret that I am unable to send a Commissioned Medical Officer to Kurnool just now. I have posted a senior and experienced European Assistant Surgeon to Kurnool as a temporary measure pending the appointment of a Commissioned Medical Officer and I trust this will to an extent alleviate the anxieties of the European residents of the station.

I have the honor to be,

Sir,

Your most obedient Servant,

Recd 8/5

GOVERNMENT OF MADRAS,
