RESOLUTION.

WITH Home Department Circular letter of the 13th January 1890, Local Governments and Administrations were furnished with two lists showing (1) the dates fixed for the submission of some of the annual reports received in this Department and the actual dates on which they had been received during the past three years, and (2) the reports and returns for the submission of which no dates had been fixed, the dates on which they had reached this office during the last three years and the dates on which it seemed reasonable to the Government of India to expect their punctual submission. It was requested that any suggestions for the alteration of the dates already fixed or then proposed in the Circular should be communicated for the consideration of the Government of India.

The attention of Local Governments and Administrations was particularly drawn to the possibility of fixing substantially earlier dates for the submission of commentaries in the shape of notes which had taken the place of annual reports in two out of every three years in certain cases, under the orders contained in Home Department Resolution No. $\frac{29}{1379-03}$, dated 15th July 1887. The Government of India were of opinion that such notes could well be submitted two months earlier than the triennial reports on the same subject.

The Registrar of the Calcutta High Court was at the same time requested to report if the Honourable Judges had any objection to fixing the 1st of July

SECRET

GOVERNMENT OF INDIA

in each year as the date for the submission to the Government of India of the Civil and Criminal Justice Reports for Bengal and Assam.

2. After carefully considering the replies to the Circular of the 13th January 1890, the Governor General in Council is pleased, in modification of previous orders on the subject, to fix the dates shown in the statement appended to this Resolution as the latest dates for the submission of each report.

3. As regards Reports which are submitted triennially, tabular statements and notes only being submitted in intermediate years, the Government of India find it impracticable in view of the opinions expressed by Local Governments to fix earlier dates for the submission of the notes than those fixed for the submission of the reports.

4. The Governor General in Council desires to impress upon Local Governments and Administrations that the dates now fixed as shown in the statement appended to this Resolution are the latest dates for the submission to the Government of India of the several reports mentioned, and His Excellency in Council hopes that in the case of many reports the Local Governments and Administrations will find it possible to submit them at an earlier date. The Government of India also take this opportunity of calling the attention of Local Governments and Administrations to the Despatch from Her Majesty's Secretary of State for India, No. 101 (Statistics), dated 20th November 1890, communicated with Home Department endorsement No. $\frac{1}{31-41}$, dated the 9th January 1891, and trust that care will be taken to ensure the punctual transmission of two early copies of every printed report to the India Office.

ORDER.—Ordered that a copy of this Resolution be forwarded to the Local Governments and Administrations for information and guidance; and that a copy be communicated to the High Court of Judicature at Calcutta for the information of the Honourable Judges.

Resolution—

With Home Department circular letter of the 13th January 1890, Local Governments and Administrations were furnished with two lists showing (1) the date fixed for the submission of some of the annual reports received in this department and the actual dates on which they had been received during the past three years, and (2) the reports and returns for the submission of which no dates had been fixed, the dates on which they had reached this office during the last three years, and the dates on which it seemed reasonable to the Government of India to expect their punctual submission. It was requested that any suggestions for the alteration of the dates already fixed or then proposed in the circular should be communicated for the consideration of the Government of India.

The attention of Local Governments and Administrations was particularly drawn to the possibility of fixing substantially earlier dates for the submission of commentaries in the shape of notes which had taken the place of annual reports in two out of every three years in certain cases, under the orders contained in Home Department Resolution, No. 28—1579-95, dated 15th July 1887. The Government of India were of opinion that such notes could well be submitted two months earlier than the triennial reports on the same subject.

The Registrar of the Calcutta High Court was at the same time requested to report if the Honourable Judges had any objection to fixing the 1st of July in each year as the date for the submission to the Government of India of the Civil and Criminal Justice Reports for Bengal and Assam.

2. After carefully considering the replies to the circular of the 13th January 1890, the Governor-General in Council is pleased, in modification of previous orders on the subject, to fix the dates shown in the statement appended to this resolution as the latest dates for the submission of each report.

3. As regards reports which are submitted triennially, tabular statements and notes only being submitted in intermediate years, the Government of India find it impracticable, in view of the opinions expressed by Local Governments, to fix earlier dates for the submission of the notes than those fixed for the submission of the reports.

4. The Governor-General in Council desires to impress upon Local Governments and Administrations that the dates now fixed as shown in the statement appended to this resolution are the latest dates for the submission to the Government of India of the several reports mentioned, and His Excellency in Council hopes that in the case of many reports the Local Governments and Administrations will find it possible to submit them at an earlier date. The Government of India also take this opportunity of calling the attention of Local Governments and Administrations to the despatch from Her Majesty's Secretary of State for India, No. 101 (Statistics), dated 20th November 1890, communicated with Home Department endorsement, No. 1—34-43, dated the 9th January 1891, and trust that care will be taken to ensure the punctual transmission of two early copies of every printed report to the India Office.

Order—

Ordered that a copy of this Resolution be forwarded to the Local Governments and Administrations for information and guidance; and that a copy be communicated to the High Court of Judicature at Calcutta for the information of the Honourable Judges.
