Read—the following paper :—

From H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 8th September 1888, No. 6654.

With reference to G.O., Public, No. 1212, dated 7th June 1884, I have the honour to inquire whether the order applies to Educational officers who enjoy the usual vacation leave for Midsummer which exceeds one month.

26TH MAY 1891, No. 411, PUBLIC.

2. I make this reference, as the point has been mooted by the Principal of the Presidency College, who says that, in the opinion of the Professors of the College, the expression "leave" used in the Government order above referred to does not include the vacation leave.

3. If the order does concern leave of the above kind, I propose asking the officers concerned to report their addresses to me prior to departure—a procedure which is directed to be adopted in G.O., No. 467, dated 2nd May 1888, Public, in the case of subordinate gazetted officers.

Order—dated 18th October 1888, No. 986, Public.

The word "leave," as used in the orders under reference, includes periodical vacations and recesses.

His Excellency the Governor in Council regrets to observe that the rulings contained in the orders read above are not universally complied with by such officers as are under them required to report their addresses while on leave to the Chief Secretary to Government. The attention of all officers concerned will accordingly be again drawn to these orders, the interpretation of the word "leave" in the last of them being carefully noted by District Judges.

2. Addresses should invariably be forwarded on post-cards.
