No. 1329-D.

GOVERNMENT OF INDIA.

MILITARY DEPARTMENT.

Simla, the 20th April 1891.

To

THE SECRETARY TO THE GOVERNMENT OF MADRAS,
Military Department.

SIR,

I AM directed to acknowledge the receipt of your letter No. 965, dated the 14th February 1891, submitting, for the orders of the Government of India, a proposal that all warrant medical officers should be employed in the Civil Department for only five years at a time, in view to their keeping up their knowledge of military duties.

2. In reply, I am to say, for the information of the Governor in Council, that the arrangement proposed, although advantageous from a military point of view, would cause such inconvenience to the Civil Department by the constant changes and transfers which it would involve, as to render it impracticable. After careful consideration of the question, the Government of India have decided that the requirements of the case will be sufficiently met if the Surgeons-General with Governments are required to take such steps as may be necessary, from time to time, to satisfy themselves that the warrant medical officers keep up their knowledge of military subjects, and to depute any who are unable to satisfy them in this respect either for a tour of military duty or to do duty in a military hospital for a short period.

I am, &c.,

(Sd.) J. E. BROADBENT,
Depy. Secy. to the Govt. of India.

COPY forwarded to—

The Home Department, with a request that the needful instructions be issued to Surgeons-General with the Government of India and the Governments of Madras and Bombay.

By order,

(Sd.) J. E. BROADBENT,
Depy. Secy. to the Govt. of India.
