THE

*Chief Secretary to Government
Public Department*

SIR,

I have the honor to state for the information of Government that Surgeonmajor J. Maitland M.D. Surgeon to His Excellency the Governor has forwarded for my perusal a thesis prepared by him on the subject of elephantiasis and requests that it may be published at the expense of Government.

2 - I have read the manuscript and consider it a most important and valuable contribution to the literature on the subject of elephantiasis. As it will be a very useful guide for all medical officers and subordinates in the Department I strongly recommend that the Government may be pleased to sanction its publication at the public expense.

3 - I would propose that 500 copies of the work be printed, and after distribution

to
