10TH JUNE 1891, No. 1348 R., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Railway.

Read the following papers:—

From the Consulting Engineer for Railways, dated Madras, 18th April 1891, No. 387.

From the Engineer-in-Chief, East Coast Railway, dated Waltair, 21st March 1891, No. 1655/158.

Submitted for the orders of Government.

2. The Engineer-in-Chief, East Coast Railway, solicits sanction to the charge allowance of Rs. 150 per mensem to Mr. E. L. Chalke, M.D., C.M., Assistant Surgeon, second grade, with effect from 10th February 1891, the date of his assuming charge of the line.

3. Under article 157 of the Civil Service Regulations an Assistant Surgeon, second grade, holding medical charge of a civil station is entitled to a local allowance not exceeding Rs. 150. If, in the opinion of Government, the charge of the Assistant Surgeon, East Coast Railway, is considered analogous to that of a civil station, it may sanction the allowance of Rs. 150 or any smaller allowance according to the nature and importance of the duties the Assistant Surgeon has to perform under the article notified above.

No. 83 D.

Referred to the Public Department for favour of opinion.

(Signed) W. H. COAKER, Lieut.-Colonel, R.E.,
23rd April 1891. Offg. Joint Secy. to Govt., P.W.D.,
Railway Branch.

Referred to the Surgeon-General for report.

(Signed) J. F. PRICE,
29th April 1891. Chief Secretary.

From the Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Ootacamund, 25th May 1891, No. 365.

In returning the correspondence referred to me for report under your endorsement, dated the 29th April last, I have the honour to state, for the information of Government, that the duties of the Assistant Surgeon in charge of the East Coast Railway are of an arduous nature; he will be required to supervise the medical and sanitary arrangements over 450 miles of line; he will be in medical charge of 80 to 100 Europeans and 40,000 Native labourers; he will have to supervise the Subordinate Medical staff and hospitals. I am of opinion that for these duties he should receive an extra charge allowance of Rs. 100 to 150 monthly according to length of his service—the same as he would if in independent charge of a civil station (*vide* article 157, Civil Service Regulations).

Transferred, and the referred papers returned, to the Public Works Department (Railway Branch).

(Signed) J. F. PRICE,
Chief Secretary.

3rd June 1891.

ORDER—dated 10th June 1891, No. 1348 R., Public Works.

The Government is pleased to sanction, under article 157 (1) of the Civil Service Regulations, an allowance of Rs. 150 per mensem to Mr. E. L. Chalke, Assistant Surgeon, second grade, East Coast Railway, with effect from 10th February 1891, the date of his assuming charge of the line. The local allowance of Rs. 50 usually granted to Medical officers in charge of a railway will merge in the amount now sanctioned.
