I thought it necessary to explain
in a year's time.
If he is now returned - which may
be ascertained by wire - I would say
no more about it. If he is not, I think
he must take some leave, as after
several months absence he cannot
do with a full complement who cannot
leave about.
The Government seem to have been
in an unnecessary hurry to drop
on this matter.

I think it was settled at
Council on the 10th that Mr
Mullaly is to take further
leave. I am

10- It is not pleasant for me, to have
bringing this default to notice, but
it is pleasant to add, that in other
times Mr. Mullaly is a very active,
and energetic officer, and that
both, now and then, he works very
hard.

-formed in reply. In Mr. Mullaly, having sprained his knee, could not rejoin before the expiration of his leave.

3- Mr. Mullaly joined on the 6th and I was entitled, to expect, that he would then, be reasonably able, to perform, his duties.

4- In the middle, of the, month, I had occasion, to remind him, to complete, the jamabundi, of a, Court of Wards' Estate, and learned, with surprise, that he, was physically incapable, of journeying as far as Cheyur, Madrautakam, Talur, which, would have, entailed, a short railway journey and about 20 miles by road. And on the 20th instant, the District Medical Officer^Y certified, that the Sub. Collector^Y was "quite, unable, to walk or ride, and" temporarily incapacitated in the performance, of his duties at least as far as touring in the District, is concerned.

5- I called upon the Sub Collector for

for an explanation, of which, I submit a copy (without the enclosure, which, is merely a list of work done).

6- Dr. Sarkis has subsequently written, on the 23rd that Mr. Mullaly "will, most probably be, fit for his duties at the end of three, weeks from date."

7- Mr. Mullaly's explanation, is that he, is fit for all, work but touring, and no doubt this is so and he, is turning out a great deal of, office, work.

8- At the same time, I cannot admit that a, Divisional Officer, may without special permission, of Government, return, to duty on, the 6th June, with, a physical incapacity which, in all, probability will, confine, him, to head-quarters until the, 14th July - just five weeks.

9- At least it is my duty to keep Government informed, lest in a, critical time, like, this, I be held, responsible, for the District being badly

Sir,

In reply to your Reference on No. 2215 dated 23rd June 1891, I have the honor to state that my accident incapacitated me only for touring, otherwise I was quite fit for work of which there is more than enough to engage me at Head quarters.

2. I naturally expected that I would be temporarily relieved of inspections, especially as there is an additional Deputy Collector in the District; but in this I have been disappointed as you now say that all the officers are fully engaged with pressing work.
