GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From W. F. DEFABECK, Esq., M.D., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Ootacamund, 9th July 1891, No. 424.

The Sessions of the Medical College for 1890-91 having come to a close, I have the honour to submit the results of the final examination for the information of the Right Honourable the Governor:—

2. I recommend that the Civil Hospital Assistants mentioned in Roll A be promoted with effect from 1st July 1891, and that the Civil Medical pupil referred to in Roll B cease to be a stipendiary student of the Sub-Medical Department.

ENCLOSURES.

A.—Roll of Civil Medical pupils attached to the Medical College reported to have been qualified for the public service and to whom certificates of qualification were given on the 1st July 1891:—

ORDER—dated 22nd July 1891, No. 608, Public.

The promotion of the Civil Medical pupils who have qualified is sanctioned with effect from the 1st July 1891, and will be published in the *Fort St. George Gazette*.

2. The Surgeon-General will report whether the effect of his proposal will be to debar the pupil who failed from qualifying hereafter for Government service. It is understood that he has received four years' training at the expense of the State and stipends amounting in all to Rs. 408.

that he has been given by Govt. a training which will no doubt enable him to make a living, and it is possible he will be better off than his brother students who have passed, and who start on Rs. 25/- with the poor prospect of reaching a maximum of Rs. 55/- m after 14 years' service. There seems, it is submitted, to be something wrong about this system, unless it is intended that the plucked one shall continue study without a stipend in view to eventually qualifying for service as an Hospital Asst. It is suggested that the following be substituted for para 2 of the draft:—

"The Surg. Genl. will report whether the effect of his proposal will be to debar the pupil who failed from qualifying hereafter for Govt. service. It is understood that he has received four years' training at the expense of the State and stipends amounting in all to Rs. 408."

that passed pupils enter into a bond to serve for 7 years & that it is proposed to make them enter into this bond before they undergo training - but apparently pupils do not undertake to refund their stipends if they fail to qualify.
