As my hon. colleagues are both of opinion
that, apart from the fact that Mr. Shujaat
Ali cannot be spared, his services should
not be lost to this Govt. I am quite agreed
that the Resident of Mysore may be
addressed as above (omitting parts I have
marked.)

No 707

Letter - to the Resident in Mysore

Sir,

With reference to your letter
 No. 2240 dated the 27th ultimo
 279-91
 requesting that the services of Mr.
 Mr. Shujat Ali, a Statutory
 Civilian of this Presidency, should
 be placed at the disposal of the
 Mysore State for a period of five
 years, I am directed to express
 the regret of H.E. the Governor-in-
 Council at his inability to comply
 with the request of the Darbar.

This Government considers that ^{as}
~~it is not possible to~~
 The proposed transfer ^{could not be said to be} ~~is not possible~~
 reasons ^{made} alone it would be
 approved

Note

With reference to the remarks
 of Honorable Members regarding
 the qualifying service of Mr.
 Mr. Shujat Ali, it is submitted
 that they appear to have overlooked
 the fact that this officer was
 employed in the Uncommenced
 Service before being appointed
 a Statutory Civilian. His
 service from the "History of
 Services" (page 76) amounts to
 nearly 15 years and under these
 circumstances his transfer to
 Foreign Service does not appear
 to be barred by clause (3) of Article
 806 of the C.S. Regulations

It appears that the Govt. of Madras would not be prejudiced if Shujaat Ali were to be transferred to Mysore - but it is to be noted that he cannot be spared at this present moment; that I would inform the Resident of Mysore, that this Govt. cannot allow him to go till October.

W
2/8/91

I think the remarks made on this Shujaat Ali are unduly depreciating. But the application to transfer him for service in Mysore appears inadmissible under clause i & iii art 806 C.P.R. I think he is not a fit person for this service. Apart from this we cannot spare any more.

11/8
3 Sept.

As this Shujaat Ali is not yet completed 10 years service in the 75th Det. with 10 years not being to the Govt. Civil service he is not eligible for transfer under cl. III of Art 806 C.P.R. I think also that it would be a disadvantage to transfer him as he is not a fit person for this service. It is of the Govt. to stop him - known to be a fit person for this service. I think also that it would be a disadvantage to transfer him as he is not a fit person for this service. It is of the Govt. to stop him - known to be a fit person for this service.

is Mr. Sufath Ali Khan himself and that it is the private interests of this gentleman and not the public benefits which are likely to result from his transfer that should be the application. If Govt. thinks otherwise there is the question whether Mr. Sufath Ali Khan can be spared or not. He is not an Officer whose retention would under ordinary circumstances be specially desirable, but at present the service is not of any short-handed but there is more than the usual number of ^{continuing} special duties which are likely to last for some considerable ^{period} ~~time~~. Further there is no knowing whether Govt. may not within a very short time require any Officer upon which to lay its hands for future work. I submit that if Mr. Sufath Ali Khan is allowed to go it should not be until Oct. when a number of Officers sufficient to more than fill prolong and his leave vacancies will be coming out from home. At present there are two Officers on duty who have been recalled from his leave and three or four applications have been refused. It is not just to these Officers that they should have leave as soon as they can be spared and that no one should have to wait in order that the convenience and personal interests of Mr. Sufath Ali Khan may be met.

1 Aug.

It is not to be expected that any one should be transferred to the transfer. I think it is to be expected that any one should be transferred to the transfer. I think it is to be expected that any one should be transferred to the transfer. I think it is to be expected that any one should be transferred to the transfer.

For Orders.

The Resident does not say whether Mr. Mir Shujat Ali is agreeable to the transfer but there can be little doubt on this point. His present pay is Rs 491 which will not reach the figure offered by Mysore for some years, under ordinary circumstances.

There is no one available at present to take Mr. Mir Shujat Ali's place. Mr. Wedderburn, who is due on the 18th August, will make an officer available and one or more Assistants are likely to have passed the lower standard held then on the results of which will in all probability be to hand early in September.

Cd. Mir Shujat Ali is not worth much & Madras wait here by the transfer.

I submit that the proposal for this transfer can hardly in the face of 856 (1) of the C.S. R. be complied with. Mr. Jafar Ali Khan is one of the best of the Statutory Assistants but he is nothing at all particular. The ~~particulars~~ apply. Which the Mysore branch proposes that he should fill is ~~the same~~ ^{the same} as that of Col. & Dr. Jafar Ali has been occupied.

There can be no doubt that the request conveyed through the Resident is

Requesting if Madras Govt are willing to spare the services of Mir Shujat Ali Khan as Dy Comm. Mysore of Mysore.

FROM

THE RESIDENT IN MYSORE.

TO

The Chief Secretary to the
Government of Madras.

Dated Bangalore, 27th July 1891.

SIR,

I have the honour to inform you that the Mysore Durbar have applied for the services, for a period of five years, of Mr. Mir Shujaat Ali Khan, of the Madras Statutory Civil Service, and now Head Assistant Collector of the Trichinopoly District.

2. The Durbar are prepared to pay him ~~Rs~~ 1000/- a month during the first two years, and ~~Rs~~ 1200/- a month during the next three years, and will also pay the prescribed contribution for his British pension, as well as

all allowances to which he may be entitled when on leave during the period of his employment in Mysore.

3. A native officer of Mr. Mir Shujaat Ali Khan's status and experience is required as Deputy Commissioner and District Magistrate of the large and important District of Mysore.

4. On these grounds I submit the Carbar's application for favourable consideration, and request, if the Madras Government are willing to comply with it, that the sanction of the Government of India may be obtained as required by article 206 (ii) of the Civil Service Regulations.

I have the honour to be,

Sir,

Your most obedient servant,

H. W. Prudgast.
