To

The Chief Secretary to Government,
Ootacamund.

Sir,

With reference to G. O., dated the 7th August 1891, No. 674, Public, I have the honour to report that Part II of Vol. II of South-Indian Inscriptions is completed in manuscript, and partly in type. As far as the correction of proof sheets, - which involves a repeated comparison of every letter of the printed Tamil text with the original impressions, - leaves leisure to me and to my first assistant, we are engaged in preparing the manuscript of Vol. III, which will contain inscriptions, chiefly in Tamil, from Karur and the North Arcot district. The Kanarese Assistant is making rough transcripts and translations of Sanskrit and Kanarese inscriptions which will be embodied in Vol. IV.

2. I beg to submit for approval the programme for the next tour on which I shall start in November 1891. Giving a short visit to Madras, Conjeevaram and
