Dated 5 August 1891.

FOR ORDERS.

There is no Officer at present to send in his report, since without weeking some other District so there is not a man available to fill vacancies.

Many the arrangement proposed, therefore allowed to stand until it is known whether Mr Saffan's illness is likely to be more than temporary.

If it is considered that some one should take his place at once I would submit that Mr Hammett be sent. He is the senior Asst. Collector but one who has not an Asst. Collector's or Judge'ship; he is the senior Asst. Collector and Godavari where from leaving. His health is due on the 18th and could take his place.

No other Officer is expected to return from leave until the 22nd. But when his return is confirmed should unless he takes in between time.

Mr. La. has having recently returned from his leave will have to take leave on his certificate unless you see fit to let him bring forward as casual leave.

His Excellency says he does not
see his way to ~~proposing~~ any arrangement
though what you suggest seems suitable
until he knows Kaffan's plan
does not wish you to telegraph to
ask how long he is likely to be away
for what ^{sort of} leave he proposes to ~~take~~
take.

as there is a Civil Surgeon
there, he must have some idea of how
things are. His ~~propos~~ suppose the leave
is likely to be rather too long for casual
leave. ~~immediately~~ ~~more~~

in accordance with your sentiments & instructions I thought it to happen asking him how long he intended to be gone and for what time he proposed staying & how he intended to behave.

The reply is from the Dr. Surgeon who
is apparently ^{indist} in charge during the absence
on tour of the Dr. Surgeon.

He has consulted Dr. Pama the Judicial
Officer of the Dept. of Hygiene and Health
and he is to allow her morning
for another fortnight

his thinking is doing his papers work in addition to his own.

This arrangement cannot be entered into
without serious delay being in Mr. Phillips
has upon him the task of trying the accused
in the prosecutions arising from the late
disturbances in the Colored Village. There is
being a very busy business and it
is hardly desirable that the Court should
be delayed. It is on hand and the over-
sight will be attended to it is out of the
question for Mr. Phillips to do his additional
the collection work which owing to the con-
ditions is most pressing and very considerably
in arrears. Mr. Phillips work is getting ^{himself} ~~himself~~
in the same condition for not only can he
now be doing a considerable amount of late work
more or less in arrears but he has been
back at work some.

It is a fair thing to do about the results
of the exposure and life in a long, narrow

The Lab. 2, new kind on the coast

There is a very faint one this morning.

For the 3rd Division is intended and is
a more complete course.

It is quite impossible to bring the case
under Act 37 c. The Bureau, however,
will be sure to make a record, for there
is almost lost time of recollection of
this matter for I was going down to
Bureau. The Bureau is very busy
because of the new law. I do not
believe that the Bureau will be able to
do the work that it has to do.

Laffan Esq

Can this be allowed?
I heard to-day privately from Mr. Asher
to say that he had had a telegram stating
that Mr. L. had been successfully
tripped for a long of the liver and
was doing well. He cannot however
hardly be fit for any work for some
time to come.
I have seen Mr. L's telegram when asking
for Mr. L's leave.

Should the Govt. Officer be asked whether
Mr. L. is fit for work or not & if not
when he will be?
