[Despatch Abstract.]

Re date of submission
of the report
on cotton cultivation
— then —

No. 4614

REVENUE DEPARTMENT.

From

C. A. Cotton Esquire M. A. C. S.

SECRETARY TO THE GOVERNMENT OF MADRAS,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

Revenue & Agricultural Department

Cotacmand Dated 27 August 1891.

SIR,

In continuation of the
Honorable Mr. Price's letter G.O. 538
Public dated 3rd July 1891, I am directed
to forward for the orders of the Govern-
ment of India the accompanying copy
of the Proceedings of the Board of
Revenue (Revenue Settlement, Land
Records and Agriculture), and to invite
attention to para 7 of G.O. 586 Revenue
dated 26th June 1891 of which a copy
was submitted to the Government
of India with the letter above quoted.

*G.O. 538
dated 28 July
1891*

2. It will be observed that
the statistics of Cotton Cultivation
are prepared for the Fashi year ending
with June 30, it would be impossible
to furnish the return within the date
prescribed by the Government of
India, viz. July 1st. The fashi year
of necessity selected for this
report, as the crop is not harvested
in some parts of the country until
some time after the close of the
official year.

3. I am now directed to
point out that the Board has
in the order of June 26, 1891, alluded
to in para 1 of this letter, been instruct-
ed to submit the returns in question
direct to the Government of India
and I am to say that in the
opinion of His Excellency the
Governor in Council the date for
its submission proposed in the

Board's

Board's Proceedings now forwarded,
viz. (Enclosure 1) may be accepted.
I have the honor to be

Sir,

Your most obedient servant

(Signed) C. A. Gallon

No. 12614

Subject.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read The following Pro-

ceedings of the Board of Revenue, Revenue Settlement, Land Records and Agriculture, dated 28 July 1891 & 3898 mis. on G.O. Revenue Department, dated 26 June 1891 & 586.

Resolution

The report on cotton cultivation alluded to in para 7 of the G.O. read above is prepared for the fiscal year ending June 30, and at present, it has to be submitted within twelve months from that date. The reports for the three latest years have been submitted as shown on the margin. At present the district returns are due to the Board three months after the close of the fiscal, but there is very often considerable delay in the receipt of the returns from the districts though the statistics are practically completed for the returns of area and output now due to the Board on the 15 July. The Board sees no reason why the statistics of cotton cultivation should not be submitted to

Governor.
