12. Sept 1889-

"As to the Statutory Service
"there is an almost universal
"opinion among the authorities
"both European and Native, who
"have been consulted, that the
"service has not fulfilled the
"expectations with which it
"was formed. With the consent
"of the Provincial Service the
"further recruitment under the
"existing rules framed in
"accordance with Section
"33. Vic Cap 3. will necessarily
"cease. The only practical question
"now to be decided is the manner
"of dealing with the present
"(so-called) Statutory Officers."

The Govt. of India in forwarding this Despatch and inviting the views of the Govt. on the question of the formation of the Provincial Service (vide Home Despt. Letter No 300 of 14 Febry 1907 especially paras 2 and 11) have distinctly stated for the Statute and more

be also a way also be created toward
an organization, which might be

possible, and thus have been satisfied
by the people.

be transferred to the Provincial Service.
The decisions of these gentlemen were
forwarded with Letter No 62 of 23^d
January 1891 and the views of this
Govt. as to ^{the} recruitment and organization
of the Provincial Service having been
previously communicated in Letter
No 401 Public of 4th June '90. No
briefly has been referred to the main
points raised in the last mentioned
letter.

In regard to recruitment it
will be observed from the accompany-
ing table, which contains particulars
regarding each of the Statutory Civilian
in this Presidency - except Muham-
-mad Raja Khan papers regarding
whom are not available here -
that only in one case (that of
Mir Shujaat Ali) was the
question started by this Govt.
In the case in question the local
Govt had received an application
for appt. to the Statutory Service
and as the date on which
advice had hitherto been recd.
from the Govt. of India as to the
number of appts. ~~to be made~~
in the year had expired, a telegram
was sent to the G. of I. The position
was however, it is submitted, com-
-pletely changed since 1888
up to which year nominations
were regularly made. Mr.

-as of

Secretary of State came to a decision
on the proposals of the Public
Service Commⁿ, that nominations
under the rules of 1879 should be
made at once or postponed till a
decision of the Secretary of State is
announced. This Govt. in reply
(Letter No 14 of 9.1.89) stated that
"further nominations might
"with advantage be postponed for
"the present". In Home Dept Letter
No 635 of 30. October 1889 (see in
original of 80. 984 of 3.12.89)
this Govt. was informed that as it
would take some time to give
effect to the orders of the Secretary
of State on the Refl. of the Public
Service Commission, the Governor
General in Council had determined
that appts. under the Statute of
1870 might if necessary be
made under the rules of 1879 "in
the present year." This Govt. was
invited to submit three names,
~~and~~ the gentlemen to be appointed ~~and~~
^{being} made to clearly understand that
they would be included in the Provincial
Service as soon as it was created. Mr.
R. Ramachandra Rao, the present
probationer, was accordingly appointed
under these conditions. It is said
that as nothing further
from the Govt. of India
nominations
as the

for any action on the part of this Govt.
It is also submitted that whilst
recruitment under the rules of 1879
has ceased no rules have been laid
down as to recruitment for the
municipal Service.
