Letter—to the Secretary to the Government of India, Department of Finance and Commerce, dated 11th August 1891, No. 687, Public.

I am directed to state that, owing to the large increase in the amount of work turned out by the Government Press, Madras, and the fact that the printing machines are now worked by steam power, His Excellency the Governor in Council desires to obtain a practical printer from England to fill the post of Assistant Superintendent, which will be vacant at the end of this official year.

2. The present incumbent receives Rs. 300 *per mensem*, but it is proposed that his successor receive Rs. 300—25—350, and in view of this proposed change, a reduction in the salary of the Head Examiner from Rs. 200 to Rs. 150 has been effected. Except in regard to salary, it is desired that the conditions of the Assistant Superintendent's engagement should be similar to those on which the present Deputy Superintendent was engaged (G.O., dated 27th May 1889, No. 453, copy enclosed).

3. I am to request that, in the event of the Government of India approving the proposed rate of salary, the Right Honorable the Secretary of State may be moved at an early date to engage the services of a suitable man on the terms stated, and to send him out to Madras in time to assume charge of his duties there on the 1st April next.
