Medical

Sir,

In reply to your letter of $\frac{4855}{91}$ India dated the 3^d June last, I am directed to state for the information of His Excellency the Governor that the services of Apothecary J. A. Legge of the Madras Subordinate Medical Establishment have been placed permanently at the disposal of the Straits Government.

2. With reference to para. 2 of your letter I am to explain that Home Department letter of $\frac{3}{141}$ dated the 14th April 1886 merely conveyed an offer to those medical subordinates of the Madras Establishment who were then serving under other Local Governments and Administrations and in the Straits Settlements, of transfer from the military to the Civil Department on certain terms - an offer which, in the case of medical subordinates serving in the Straits Settlements was accepted only by Mr. D. Thompson as reported in your letter of $\frac{3939}{86}$ India, dated the 6th August 1886. Mr. Thompson's case however does not now require consideration since, owing to his conviction for theft referred to in your letter to the Surgeon General with the Government of Madras marginally noted his name has been removed from the Madras Army List and he is no longer in the service of the Straits Government.

I am to add that if there are any other officers serving in the Straits Settlements who accepted the offer made in the Home Department letter of the 14th April 1886 the Governor General

* of $\frac{13}{91}$ India dated the 4th February 1891.

the Council will be prepared to consider their case but that His
Excellency in Council requests that he cannot engage to place the
services of any such officer permanently at the disposal of the
Madras Government without previously considering the particular cir-
cumstances of his case.
