Proceedings of the Civil Medical Board held
at the office of Surgeon General
on Saturday the 5th September 1891.

The Committee have carefully examined Mr C. Venkata Sagarao Naidu
son of _____ an Assistant Collector
in the Revenue Department. His age is, by his own statement,
32 years and by appearance about 32 years. We consider ~~that there is~~
~~to be completely and permanently incapacitated for further service of any kind~~
~~in consequence of~~ sufficient reason have been laid
before the Board, to warrant the invaliding
of Mr C. V. Sagarao Naidu Asst Collector from
the Public Service. He is not suffering from
any organic disease
His incapacity does not appear to us to have been caused by irregular or
intemperate habits.

is now circulated cannot say that there is any specific disease, but the C.S.M. provides for invaliding on ground of "general debility". The department in such an instance giving a "special explanation" of "the grounds on which it is proposed to invalid" an officer. cf. please SS 487 (4) & (c) of the C.S.M.

That "general debility" exists here there can be no doubt after reading Mr. Brundell's letter of June 17/90 full. C. No. 2888 in H.P. ~~108~~ 108 of 1890. Mr. V. L. Row can't walk on rough ground, unless he is held up; he can't guide his steps; he can't walk up a low hill.

If a Board want certify that such an individual suffers from "general debility", there can at least be no doubt that the Sec. of State would provide that the case be put under "reference" to the
