Office Note

The Superintendent, Government Press submits the following for the information of the Chief Secretary to Government.

2. Shortly after the outbreak of Cholera in the Penitentiary, the Superintendent of Prisons informed me that all printing work must be stopped, and from the 14th August up to the present time work has ceased, excepting for a few days to clear up certain urgent work.

2. This sudden stoppage of work is causing an accumulation of district printing, and as there is no intimation given by the Superintendent of Prisons, when work may be commenced, the undersigned solicits orders upon the same.

3. The Undersigned has opened
a composing room for the
compositors here, and setting
up has been going on for the
past 10 days, but only a very
small portion of the striking off
of copies can be undertaken,
and it is necessary that the
machines at the jail should
be at work again as early
as possible, as the number
of copies for the districts are
very heavy.
