THE OBSERVATORY,
Madras, 19th September 1891.

From

THE GOVERNMENT ASTRONOMER,

MADRAS,

To

THE Honble J. F. Price
Chief Secretary to Government.

SIR,

The Port Commissioners at Rangoon having resolved to start a time Observatory and to erect a time-ball, and having purchased the necessary instruments, have asked me to select and train an Observer to take charge of the work. I have accordingly the honor to enquire whether there is any objection to my doing so. It will in no way interfere with the work of the Observatory since one of the junior assistants is at present undergoing instruction and it will be as easy to instruct two as one.

I have the honor to be
Sir,

your most obedient servant

E. Nicolson Smith

Offg. Govt. Astronomer
