The Secretary to Government Military Dept.

OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,
Port St. George, 14th Sept. 1891.

Appointments
Civil

No. 0124
From W. J. de Laubek Esq. M.D.
THE SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

To
THE Chief Secretary to Government.
Public Department.
Port St. George,
Pottacamund.

SIR,

+ Copy of telegram
from Home Dept.
dated with 22.2.18
17.2.1891 from
Principal Medical
Officer Mrs. Forrie
in Madras.

With reference to the enclosed copies of correspondence regarding a Medical Officer required for Civil duties in Burma, vice Surgeon Dewar reported sick, I have the honor to state for the information of Government that G.O. No. 1336 Public dated the 8th June 1885 provides for 5 Civil Surgeons in British Burma being held by Commissioned Medical Officers belonging to the Madras Establishment, but it will be seen from the marginal list that there are now, including

Commissioned Medical Officers of the Madras Establishment employed in Burma:

- | | |
|---------------|----------------------------|
| Surgeon-Major | P. N. Mookerjee |
| Do. | D. Sinclair. M.B. on leave |
| Do. | G. J. Thomas |
| Do. | E. P. Frenchman |
| Surgeon | B. J. Rendle. M.B. |
| Do. | R. E. S. Davis. M.B. |
| Do. | A. O. Evans. |
| Do. | R. H. Gaston |
| Do. | F. J. Dewar. |
| Do. | J. W. Stewart |

Surgeon Dewar, 10 Madras Officers employed in the Civil Department in Burma or 5 in excess of the authorized number.

2. I am aware that the G.O. of 1885 quoted above having been issued prior to the

annexation of Upper Burma, no provision was made in it for the Civil Medical requirements of the newly acquired territories. Unless therefore

the Government

the strength of this Department increased it will be impossible to supply Medical Officers for Upper Burma and the Central Provinces.

3. I would therefore urge that the Government of India may be addressed without delay that Orders may be passed as to a number of additional appointments in Burma the Medical Department of this Presidency to provide for as this Department should be proportionately increased.

The present strength of the Madras Medical Department is insufficient for the demands made upon it - the extension of the Presidency Hospitals will ere long necessitate an increase of the Medical and Surgical Staff for the General Hospital, the Women & Children's Hospital and the Lying-in Hospital. The Medical Officers of these Institutions have even now more than enough to do.

I have the honor to be

Sir,

Your Most Obedt. Servant.

Sir,
In returning your N^o 4795 dated 28 Aug 1891.
I am directed by His Excellency the Commander-in-
Chief to state that the services of Surgeon Reckell,
Medical staff, cannot be spared for employment
under the Chief Commissioner Burma, in place
of Surgeon Dewes, Indian Medical Service,
reported sick; nor can the services of any
Indian Medical officer in Military employ
be made available for the purpose.

This letter is sent through the Surgeon-
General with the Government of Madras,
who may, perhaps, be in a position
to furnish a substitute for

Surgeon Dewes.

Endorsement.

Regret not a single Medical Officer
available for Burma Commission. Burma
has already five more Medical officers
of the Madras Establishment than the
authorized number - regarding whom the
Government is being addressed and seven
others are required for the Central Province
for which no one can be spared as yet.

Sir,
I am directed to
forward for the consideration of the
Govt. of India copy of a
letter from the Surgeon
General with the following
bringing to notice the
absolute impossibility
of the Medical Est^{ts} of
this Presidency at its
present authorised
strength meeting all
the demands for officer

* No. 0/124, dt 14.9.91 - 2 Encls

made upon it.

2. I am to invite special attention to the fact that whereas the existing establishment was sanctioned on the supposition that it wd. have to supply only five* officers for civil duty in Burma ~~that~~ there are actually ten so employed. the consequence being that the scale of sanctioned appointments in the Presidency itself cannot ^{be filled}. In the circumstances it is quite impossible to spare an officer to replace Surgeon Dewar.

*vide Home dept. letter dated 21.5.85, No 203.

3. I am directed to ^{large upon the Dept. of India the need for dealing at} ~~quest~~ that very early ^{being early dealt with} attention may be given to this important subject in view to the list of appointments to be filled by officers of the Madras Medical Est^t being revised, and if it is found impossible to relieve it of any of

the demands at present made on it, I am to ask that the ~~necessary~~ arrangements may be sanctioned for the ^{with the least possible delay} early increase of the Est^t to such strength as may

be ~~unavoidable~~ ^{required}.

will allow of the effectual working of the Civil Medical Administration of this Presidency

7813. which is now, and for some time past, ^{has} been ^{has} impracticable owing to chronic lack of 25/9 Officers.
