No. 15.

TO HIS EXCELLENCY THE RIGHT HONOURABLE THE GOVERNOR
IN COUNCIL. FORT ST. GEORGE.

My Lord,

I have received Your Excellency's letter
Public Department, No. 15, of the 24th July
last, relative to the preparation of Indexes
and Press Lists of the records of your
Government. I do not desire that the
Indexes for the twenty nine years ending with
1833 should be reprinted, but shall be glad
to receive the six copies which are now
available at an early date, and twenty
printed copies of the press lists for the
first five years of the eighteenth century
as soon as they shall have been completed.

2. According to Mr. Talboys Wheeler's "
Report on the Public Records preserved in the
Madras Government Office" the earliest records
that have been preserved date from 1670. As

the number of documents existing between that
date and 1700 is probably not great, I shall
be glad to have press lists of these also,
which might be made pari passu with those
for the eighteenth century.

I have the honour to be,

My Lord,

Your Lord's most obedient humble servant,
